

The Lord's Taverners is the UK's leading youth cricket and disability sports charity dedicated to giving young people a sporting chance.

Our mission is to enhance the lives of disadvantaged and disabled young people through sport and recreation.

We create a range of opportunities for young people from deprived areas and those with disabilities to engage in sport and recreational activities in their local communities.

Lord's Taverners programmes support some of the most marginalised and at risk young people in the UK.

## OUR OUTCOMES

- Increase opportunities for regular participation.
- Motivate young people to engage in sport.
- Improve health, social and psychological well-being.
- Empower volunteers, coaches and teachers to deliver training sessions.
